

RANGLANDS SHAKE

THE PERFECT COMPLEMENT OF RUSTIC APPEAL & RENOWN DURABILITY.

With Euroshield[®], each profile achieves an unprecedented level of durability. Masterfully engineered to withstand the harshest of environments giving you a sense of satisfaction in ownership of probably the most durable shingles ever created.

EUROSHIELD®

THE SMART CHOICE IN ROOFING

RANCHLANDS SHAKE

Our quest for the unparalleled beauty and character of hand-cut wood with industry-leading durability is finally finished. The Ranchlands shake is engineered to impress with its ultra-deep shadow lines and long, dramatic vertical grains displayed in a manner that is so sophisticated, it knows no peer. Giving your home a look that is anything but ordinary and is the perfect solution for homeowners seeking the classic look of natural wood shakes with the Euroshield® advantages of being virtually maintenance-free and resistant to rotting, curling, splitting, cracking and discoloration due to weathering.

It comes in a convenient panel form magnificently displayed with a 10" exposure to-the-weather & 3/4" edge profile. Also featuring an interlocking panel system which allows for efficient installations, saving time and money as well as giving it superior wind performance. Offered in four expertly mixed color blends, Black, Brown, Grey & Driftwood* and covered by an industry-leading, Non pro-rated lifetime warranty, giving you worry free superior, lifetime performance at affordable pricing.

(*Driftwood is available at upgraded cost)
Please see our website for complete details.

Premium Rubber Roofing Since 1999

RANGLANDS SHAKE - BLACK

Ranchlands shake in black instantly welcomes you to the world of sophistication. The grandness of the 10" exposure further accentuates the seductive shadows generated by the deep grains.

Immediately commanding attention, Ranchlands in black is the finishing touches as well as the final, luxurious details fully expressed on your home.

RANGLANDS SHAKE - BROWN

Ranchlands shake in brown have deep shadows and red-brown russet roots which emanate a sophisticated, natural earthiness.

The dynamic tone gives a sense of the dramatic while at the same time grounding your home to the surrounding landscape, projecting maximum curb appeal.

RANCLANDS SHAKE - GREY

Ranchlands shake in grey truly showcases the deeply textured grain of real cedar, setting off an interplay of dark shadows and light shading resulting in a stunning, distinguished and dramatically beautiful style.

Adorning your home with an authentic expression of centuries old charm that, depending on the setting, can stand out dramatically or blend in harmoniously.

RANGLANDS SHAKE - DRIFTWOOD*

(*AVAILABLE AT UPGRADED COST)

Ranchlands shake in driftwood brings a warm sandstone color accent to the sharpened detail of the deep vertical grain in a way that ensures a “welcome home” feeling that never gets old.

The realistic textures of the wood are truly on display through a meticulously engineered blend of golden oak and ash. Designed with one purpose in mind: to continually pique interest.

PREMIUM PERFORMANCE
